Index

A
“Abnormalization” of birth, xvi, 40-42, 143-44; and medicalization, 40
Acquired model of support for medical licensure, 141
Akers, Ronald, 8
Allopathy, 11-12; cultural faith in, 47, 80, 85, 140, 143; defined, 184 n. 4; and political organization of practitioner associations, 80
Alternative birth centers (ABCs), 54; breathing techniques in, 112; certified nurse-midwives in, 90-92; compared to home and hospital births, 186-87 n. 1; as enclave, 114; limits on behavior in, 114-15; and protocols and rates of transfer, 111; as response to home births, 54; and territory issue, 114
Alternative birth movements, xi
Alternatives to licensure: “Health Responsibility System,” 152; peer review, 152-53; self-regulation, 152-53
American College of Nurse-Midwives, 18, 39, 166, 174; and midwife regulation, 18, 39
American College of Obstetricians and Gynecologists (ACOG): and alternative birth centers, 53-54; and certified nurse-midwives, 39; and lay midwife licensure in California, 76; study of home birth by, 134-35
American Medical Association (AMA): and alternative birth centers, 53-54; and Sheppard-Towner Act, 30
Annas, George, 49, 53, 184 n. 5, 187 n. 1
Arizona: hospital and nonhospital births in, 61; lack of lay midwife training programs in, 58; lay midwife license revocation hearings in, 130-31, 168 n. 1; lay midwife licensure in, 18, 48, 55-61; provisional licenses for lay midwives in, 59-60
Arizona Department of Health Services, and lay midwife licensure, 56-61
Arizona Medical Association, and lay midwife licensure, 59-60
Arms, Suzanne, 51, 94, 95, 101, 104, 187 n. 1
Association of Radical Midwives (ARM), 51, 188 n. 2
Association of Texas Midwives (ATM): attitude of, toward midwife legislation, 68; founding of, 67; influence of, on midwife licensure, 67
Attitudes toward midwife regulation, 83; among midwives, 42, 68, 69, 83; among physicians, 42, 60, 69, 73, 76–79, 83
Aveling, J. H., 25, 35, 44, 184 n. 1

B
Banti v. State (of Texas), 62–63, 71
Bart, Pauline B., 110
Becker, H. S., xxx
Birth (formerly Birth and the Family Journal), 50, 57
Blackmun, Harry (U.S. Supreme Court Justice), 149
Borst, Charlotte, 179–80
Bowland et al. v. Municipal Court, 71–92
British Midwives Act of 1902, 30, 36, 45
Brown, E. R., 12, 184 n. 4
Brown, Jerry (governor of California), 72; support of, for lay midwife licensure, 76–77
Bureaucratic model of support for medical licensure, 141
Burns, Dee, arrest and trial of, 128–29

C
California: and certified nurse-midwife licensure, 70–71; and lay midwife licensure, 18, 48, 70–80; and Medical Practice Act, 71–72
California Association of Midwives (CAM): attitude of, toward lay midwife licensure, 74, 75, 79; founding of, 74
California Association of Obstetricians and Gynecologists (CAOG), and lay midwife licensure, 76, 77
California Department of Consumer Affairs (DCA): author's involvement with, 158–59; clash of, with interests of lay midwives, 80; and lay midwife licensure, 72–75, 77, 80–82
California Medical Association: and lay midwife licensure, 73–74, 76; legislative influence of, 77
California Midwifery Advisory Council (MAC): author's involvement with, 158; creation of, 77; and support of lay midwife licensure, 77–78
California Nursing Association (CNA): opposition of, to lay midwife licensure, 74; support of, for lay midwife licensure, 75, 78
California Supreme Court, 12, 72
Carlson, Rick, 7
Central Midwives' Board (England), 43
Certified nurse-midwives (CNMs), 17; and alternative birth centers, 90-92; and American College of Obstetricians and Gynecologists, 39; and breathing techniques (psychoprophylaxis), 104-5, 112; and clients' responsibility for birth, 102-4; compared to lay midwives, 17-19, 29, 92-112; number in practice, 165; and physician acceptance, 115; and physician restraint of trade, 54; and relationship with clients, 105-10; recruitment of, 110; training of, 92-95; and use of drugs, 95; view of birth among. See also Licensure of midwives, effect of, on midwives

Chamberlen, Peter, 35

Church-sponsored midwife licensure, 31-32; in England, 31-32, 35-37, 185 n. 6

Clements, William P. (governor of Texas), and veto of House Bill 635, 66

Clients of midwives: and responsibility for birth, 102-4; and self-selection, 102; and support of midwife legislation, 85; and unwillingness to bring charges against midwife, 121, 133. See also Licensure of midwives, effect of, on clients

Colombotos, John, 14

Colonial America, midwives in, 25

Cooptation: alternative birth centers and, 54; of home birth movement, 53-54; and midwife licensure, 45

Cottrell, W. F., 13, 149

Coulter, Harris L., 184 n. 4

Culture, and maternity care, xvi-xviii

D

Dangers of licensure: for midwives, 144-45; for physicians, 145; for public, 145

Daniels, A. K., xxix

Daniels, Shari, 83

Davis, Fred, xxx, 159

Davis-Floyd, R., 179

DeClercq, Eugene, 166, 175

DeLee, Joseph, 41

“Demedicalization,” 148; of birth, 81-82

Derbyshire, R. C, 6-7

Devitt, Neal, 25, 26, 27, 49, 167, 185 n. 2

DeVries, Raymond G., 49, 53, 144, 148, 187 n. 1

Donnison, Jean, 23, 24, 30, 32, 40, 43, 49, 182 n. 1, 185 n. 6

Doshi, Marianne: arrest and trial of, 121-24; physician reaction to dismissal of charges against, 124

E

Ecclesiastical midwife licensure. See Church-sponsored midwife licensure

Ehrenreich, Barbara, and D. English, 156, 185 n. 4

Ehrlich, Karen, 74, 137, 153-54
Ends of research, 160–61
Enforcement of midwife regulations, 43, 119–37
England, midwifery in, 30, 31–32, 35–37, 43, 51
Episiotomy: and California midwives, 75; replaced by perineal massage, 93, 100; and Texas midwives, 64
Erickson, Kai, 159
Evaluation of midwife licensure: in terms of maternal and infant mortality and morbidity, 89, 115, 151; in terms of styles of practice, 89–117
