C. E. S. Franks is professor of political studies at Queen's University, Kingston, Ontario. His research interests include parliamentary government and public administration in Canada, public service in the Canadian North, the police power in society, northern travel, and sport and politics. Among his books are The Canoe and White Water (1977), The Parliament of Canada (1987), Sport and Politics in Canada (1987), Public Administration Questions relating to Aboriginal Self-Government (1987), Dissent and the State (1989), and The Myths and Symbols of the Confederation Debates (1993). In 1994 he was elected a Fellow of the Royal Geographical Society of Canada in recognition of his contributions to understanding Canadian development and exploration.

Carlos Flores Juberías is professor of constitutional law at the University of Valencia, Spain. From 1993 to 1995, he was a Fulbright visitor and then a visiting lecturer at the University of California, San Diego. He has written widely on electoral processes, party systems, and institution building, especially in Eastern and Central Europe and Russia. He edited Las nuevas instituciones políticas de la Europa oriental (1997), and he serves as editor of Cuadernos Constitucionales, a quarterly journal published by the Department of Constitutional Law, University of Valencia. He is a member of the executive committee of the Comparative Representation and Electoral Systems Research Committee of the International Political Science Association.

Claudio Lodici is adviser for public affairs to the Office of the Speaker of the Italian Senate. He worked in the Ministry of Budget (1982) and in the Ministry of Defense (1985–87). From 1987 to 1994 he was special assistant and top aide to the speaker of the Italian Senate. From 1985 to 1989 he was vice president of the Atlantic Association of Young Political Leaders, Washington, D.C. He has written several research articles on international affairs and security policies. He has worked on the European integration process in the Theodor Heuss Akademie, Gummersbach, Germany. He contributed a chapter on labor relations in Italy to Storia delle relazioni

**Jean Mastias** teaches at the Sorbonne, Université Paris I, in the Department of Political Science. He specializes in political institutions, parliamentary politics, political communication, and public law. He is director of graduate programs in communication, and runs the Center for Local Communication, which is concerned with both research and policy. He has written several scholarly articles and books, including *Le Sénat de la Vème République: Réforme et renouveau* (1980) and *Les secondes chambres du Parlement en Europe occidentale* (1987). He has also written on issues concerning civic education and French local communities.

**Anthony Mughan** is professor of political science and director of the undergraduate international studies program at Ohio State University. His research interests lie in Western European politics, focusing on parliamentary behavior, national elections, and political leadership. He wrote *Aid and Arms to the Third World* (1985) and *Party and Participation in British Elections* (1986). In addition, he was coeditor of *Political Leadership in Democratic Societies* (1992) and *The Mass Media and Democracy* (1998). His research articles have appeared in the *American Political Science Review*, the *British Journal of Political Science*, *Comparative Political Studies*, the *Legislative Studies Quarterly*, and the *European Journal of Political Research*. He was senior research fellow at the Australian National University’s Institute for Advanced Study from 1985 to 1988.

Werner J. Patzelt is professor of political science at the Technical University of Dresden. He is the author of *Sozial-wissenschaftliche Forschungslogik* [The logic of social science research] (1985), *Grundlagen der Ethnomethodologie* [Foundations of ethnomethodology] (1987), *Abgeordnete und Repräsentation* [Legislators and representation] (1993), and *Abgeordnete und ihr Beruf* [Members of Parliament and their job] (1995). In addition, he has written numerous research articles on parliamentarism, German MPs, and German political institutions. In 1997 he was named coeditor of *Zeitschrift für Parlamentsfragen*, the leading German journal on legislative research.

Donald Shell is senior lecturer in politics at the University of Bristol. He is the author of *The House of Lords* (2d ed., 1992), and the editor of *The House of Lords at Work* (1993) and *Churchill to Major: The British Premiership since 1945* (1995). He has also written many articles, especially on developments in the British Constitution. He has served as academic secretary of the Study of Parliament Group in the United Kingdom.

Barbara Sinclair is Marvin Hoffenberg Professor of American Politics at the University of California, Los Angeles. Her publications on Congress include articles in the *American Political Science Review*, the *American Journal of Political Science*, the *Journal of Politics*, and the *Legislative Studies*

John Uhr is senior fellow in the political science program at the Australian National University. He has published widely in Australian government and public administration, and has edited three books for the Federalism Research Centre, of which he was a director: Program Evaluation (1991), Ethical Practice in Government: Improving Organisational Management (1996), and Evaluating Policy Advice: Learning from Commonwealth Experience (1996). Between 1982 and 1989 he was a committee secretary, then director of research, with the Australian Senate, and he was a Harkness Fellow in the United States in 1985–87. From 1987 to 1992 he edited the journal Legislative Studies, published by the Australasian Study of Parliament Group.
