INDEX

Items in the Index are in modernized spelling unless such form might lead to misunderstanding. Manuscripts are entered under that general heading, according to repository. As is indicated by cross reference, the most frequently used manuscripts are separately listed under their common designations: Arundel Harington MS., Devonshire MS., Egerton MS. 2711, Nott's transcript of the Arundel Harington MS., Park MS. Texts in the Arundel Harington MS. are referred to by poem number in bold face. Other references are to volume and page, thus, 1. 2, or 1. 2n. The n added to the page number indicates reference to a footnote only. The following abbreviations are used: AH, for Arundel Harington MS.; NA, for Nugae Antiquae; TM, for Tottel's Miscellany.
